**THE DUKE**

BAR & GRILL

Welcome to Don't Tell The Duke,

If you are reading this menu then you are a few steps away from making your stomach one happy bunny!

Well why should you take the dive into our belting little independent?

1. All our food is made fresh daily by a team of angry chefs using many suppliers within a 10 mile radius.
2. Relaxed music in a chilled setting.
3. Great coffee and plenty of smiles.
4. An abundance of artwork to keep you entertained thorough out your visit.
5. We offset our carbon foot print by planting trees every year & our general manager voted for the green party!

We are extremely appreciative of the family that we have created. All our crew are loyal to the growth of the business and we are committed to them personally. With that in mind, we are a living wage employer- dedicated to giving everyone enough in their back pocket to thrive. With that in mind, there will be a discretionary service charge of 10% for all tables larger than 5 guests.

So what else would we recommend doing if you decide to swerve us on this occasion?

Take a trip to the Yorkshire Sculpture Park- its tip top!  
Swing by Tom Foolery in Boston Spa for an Aperol Spirtz in our outside trattoria.  
Go visit the coast and turn your phone off.  
Listen to a 'Samuel L Jackson's "Go to Sleep" video.  
Book in at the Drum & Monkey in Harrogate for a fish pie!
